[Verse]

```
            G
I can see you over there, staring at your drink
                    Am
Watching that ice sink all alone tonight
        C                            D
And, chances are you're sitting here in this bar
                        G
Cause he ain't gonna treat you right

            G
Well it's probably not my place, but I'm gonna say it anyway
        Am
Cause you look like
        C                                D
You, haven't felt the fire, had a little fun, hadn't had a smile
G
In a little while, baby
```

[Chorus]

```
G                        Am
Blue looks good on a sky
                        C
Looks good on that neon buzzin' on the wall
        D                        G
But darling, it don't match your eyes

G
I'm tellin' you
                        Am
You don't need that guy
                    C
It's so black and white
                        D
He's stealing your thunder
        C    Bm        Am        G
Baby, blue ain't your color
```

[Verse 2]

```
G
I'm not tryna be another just pick you up kind of guy
                        Am
Tryna drink you up, tryna take you home
        C                            D
But I just don't understand how another man
                        G
Can take your sun and turn it ice cold

G
Well I've had enough to drink

And it's makin' me think
        Am
That I just might tell you
```

I'd just paint you bright, baby
```

But darling, it don't match your eyes
