

# Drunk Over You by Niko Moon

Tuning: **E A D G B E** Capo 1

[Verse]

**G**

Been a couple weeks since you up and left

**G**

And I ain't gonna lie, girl, I've been a wreck

**Em**

Goin' out every night tryin' to forget

**C**

With some help from my friends Johnnie, Jack, and Jim

[Pre-Chorus]

**G**

Gettin' so faded,

**G**

Tryin' not to face it,

**Em**

But every sip I'm takin'

**C**

It only makes me miss you more

[Chorus]

**G**

Thought I could patch myself up at this hole in the wall

**G**

And burn down your memory with this fireball

**Em**

But the more I drink, the more I find

**C**

Gettin' drunk over you is just wasted time

**G**

Gettin' drunk over you

**G**

Gettin' drunk over you

**Em**

Yeah the more I drink, the more I find

**C**

Gettin' drunk over you is just wasted time

[Verse]

**G**

At the bottom of the bottle tryin' to make it through

**G**

Hangin' on by a thread tryin' to cut you loose

**Em**

And every time that my mind wants to think of you

**C**

I go 0 to 100 on that 100 proof

[Pre-Chorus]

**G**

Gettin' so faded,

**G**

Tryin' not to face it,

**Em**

But every sip I'm takin'

**C**

It only makes me miss you more

[Chorus]

**G**

Thought I could patch myself up at this hole in the wall

**G**

And burn down your memory with this fireball

**Em**

But the more I drink, the more I find

**C**

Gettin' drunk over you is just wasted time

**G**

Gettin' drunk over you

**G**

Gettin' drunk over you

**Em**

Yeah the more I drink, the more I find

**C**

Gettin' drunk over you is just wasted time

[Bridge]

**C**

**G**

I'll catch a flight down to Cabo

**D**

**Em**

I'll do some fishin' up in Colorado

**C**

**G**

Yeah the only thing that I know is

**D**

I'm movin' on
