[Verse 1]
      C
Well I love a rainy night, I love a rainy night,
I love to hear the thunder,
                                              F
Watch the lightnin' when it lights up the sky.
                      C
You know it makes me feel good.
Well I love a rainy night, such a beautiful sight,
I love to feel the rain on my face,
                      F
Taste the rain on my lips.
                    C
In the moonlight's shadows.
G                     Am          G
Showers wash all my cares away,
