I'ma go downtown, Ain't been in a long time, I'm takin' back Sundays

Since you took away my life (Since you took away my life)

I probably could've saved us, but instead, I let us crash

C
And this is not the place for you

[Chorus]

G **D** **Em** **C**
Lonely road, take me home, To the place that we went wrong

G **D** **Em** **C**
Where'd you go now? It's been a ghost town, And I'm still here, all alone
