

# Losing My Religion by REM

[Intro]

**F**                      **Dm G**              **Am**              **Am/B**              **Am/C**              **Am/D Am**  
**F**                      **Dm G**              **Am**                      **G**

[Verse 1]

**Am**                              **Em**  
Oh, life is bigger  
  
It's bigger than you  
                  **Am**  
And you are not me.  
  
                                  **Em**  
The lengths that I will go to,  
                                  **Am**              **Em**  
The distance in your eyes,  
                                  **Dm**  
Oh no, I've said too much,  
                  **G**  
I set it up.

[Chorus]

**Am**  
That's me in the corner,  
                                  **Em**  
That's me in the spotlight  
                  **Am**  
Losing my religion.  
                  **Em**  
Trying to keep up with you.  
                  **Am**                                      **Em**  
And I don't know if I can do it.  
                                  **Dm**  
Oh no, I've said too much,  
                  **G**  
I haven't said enough.  
[Bridge]  
          **G**                                      **F**  
I thought that I heard you laughing,  
          **Dm**                              **G**              **Am**      **Am/B**      **Am/C**      **Am/D**  
I thought that I heard you sing.

**Am F Dm G Am G**  
I think I thought I saw you try.  
[Verse 2]  
**Am Em**  
Every whisper of every waking hour  
**Am**  
I'm choosing my confessions,  
**Em**  
Trying to keep an eye on you  
**Am Em**  
Like a hurt lost and blinded fool, fool  
**Dm**  
Oh no, I've said too much,  
**G**  
I set it up.  
[Verse 3]  
**Am**  
Consider this, consider this,  
**Em**  
The hint of a century,  
**Am**  
Consider this: the slip  
**Em**  
That brought me to my knees failed.  
**Am**  
What if all these fantasies  
**Em**  
Come flailing around?  
**Dm G**  
Now I've said too much.  
[Bridge]  
**G F**  
I thought that I heard you laughing,  
**Dm G Am Am/B Am/C Am/D**  
I thought that I heard you sing.  
**Am F Dm G Am G**  
I think I thought I saw you try.
