Verse 2:

Every whisper of every hour
I'm choosing my confession, trying to keep an eye on you,
Like a hurt lost and blinded fool, fool.
Oh no, I've said too much, I set it up.
Consider this; consider this, the hint of the century; consider this.
The slip that brought me to my knees failed.
What if all these fantasies come flailing around?
Now I've said too much.
