

Miss Sunshine - MGK

Capo 2

[Intro]

D Dsus2 Gmaj7 G6 x2

[Verse 1]

D Dsus2 Gmaj7

Hey, Miss Sunshine, I took a tab and felt the sky

It's a good life, and then it's bad, but that's all right

On the bright side, we all sin and sympathize

So in the meantime, might as well enjoy the ride

Four seats of five people 'bout to take a daytrip

Roll the windows, roll one up, let's make a spaceship

Where's the volume? Turn it up, who got the playlist?

Everybody sings the song, just like we're famous

[Pre-Chorus]

A Bm G A
We were royalty in a cheap hotel

Dazed and confused, but we cleaned up well

Didn't need no help for a hell of a time

Ha-ha-ha-ha-ha-ha, yeah

[Chorus]

D G A
It's a long way home

Bm

Uh

D G A
It's a long way home

Bm

(Don't know which way to go)

D G A
It's a long way home

Bm

D G A

N.C.

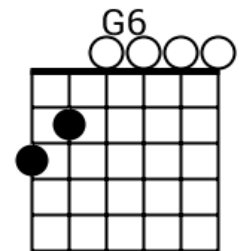

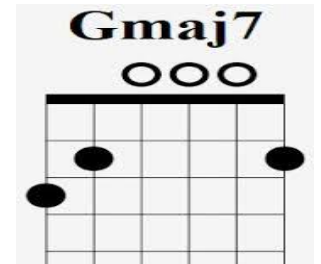

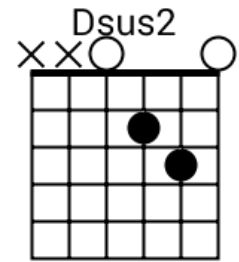

Uh-uh

[Verse 2]

D Dsus2
These bad decisions I make, it's just me avoiding boredom

Gmaj7 G6
Call it ironic, I got money and poor decorum

D Dsus2
Feels like I'm flying off coffee and Coca, uh, ah, Cola
