

[Intro]

D

[Verse 1]

D D/F# G  
Back in your old neighbourhood,  
D/F# G  
Coca-Cola tastes so good,  
D/F# G  
But you're so misunderstood,  
D  
you're so misunderstood.

D/F# G  
There's something there that you can't find,  
D/F# G  
when you look honest when you're tellin' a lie,  
D/F# G  
you hurt her but you don't know why,  
D  
you love her but you don't know why. (pause)

[Verse 2]

D/F# G  
you're short and long term goals,  
D/F# G  
there's a party there and we oughta go to,  
D/F# G  
you still love rock n roll,  
D  
you still love rock n roll.  
D/F# G  
It's only a quarter to three,  
D/F# G  
reflecting off of your C D,  
D/F# G  
you're looking at a picture of me,  
D  
you're starin' at a picture of me.

[Verse 3]

D D/F# G  
Take the guitar player for a ride,  
D/F# G  
cause he ain't never been satisfied,  
D/F# G  
he thinks he owes some kinda debt,  
D  
he'll be years before he gets over it.

[Bridge] (Random noise)

D G D G

D G D G

D G

[Verse 4]

          D                          D/F# G  
There's a fortune inside your head,  
D/F#                          G  
all you touch turns to lead,  
          D/F#                          G  
you think you might just crawl back in bed,  
                                          D  
with a fortune inside your head.

                                          D/F# G  
I know you're just a mama's boy,  
D/F#                          G  
positively unemployed,  
          D/F#                          G  
you're so misunderstood,  
                                          D  
you're so misunderstood.

[Break]

D D D

[Verse 5]

                                          D/F# G  
I know you've got a God-shaped hole  
          D/F#                          G  
You're bleeding out your heart full of soul  
          D                          G  
You're so misunderstood  
          D                          G  
You're so misunderstood  
          D                          G  
You're so misunderstood  
          D                          G  
You're so misunderstood

[Outro] (syncopated on D)

          D                          D  
I'd like to thank you all, for nothin'  
          D                          D  
I'd like to thank you all for nothin' at all  
          D                          D          D          D          D  
I'd like to thank you all for nothin, nothin , nothin, nothin at all
