Don't worry about the damage done
      C              F

Well couldn't you say you do, say you might for tonight

Have a heart, bend the truth, even if you don't, couldn't you
      C
Mess me up, get in my head, steal my t-shirt, wreck my bed
      F              C
All night long like you used to, even if you don't couldn't you say you do

Say it feels good to be back in my arms
F          Dm
And then don't call me

Baby, take your hands, take your lies
F          Dm
And lay 'em on me

```

(Chorus:)

Well couldn't you say you do, say you might for tonight

Mess me up, get in my head, steal my t-shirt, wreck my bed
All night long like you used to, even if you don't couldn't you say you do
