

Capo 2

[Intro]

**Em7 Dsus4 G Cadd9**

[Verse 1]

**Em7 Dsus4**

Five thirty-six a.m. I was about to start my day

**G Cadd9**

But she layin' there across me, so I stayed anyway

**Em7 Dsus4**

Arms tired, legs numb, and wrapped around my knees

**G Cadd9**

Sweetest of the sunflowers, yeah you're the sun to me

[Instrumental]

**Em7 Dsus4 G Cadd9**

[Verse 2]

**Em7 Dsus4**

I don't recall what you were wearing on the first night we met

**G Cadd9**

Besides the subtle clouds around you from my last cigarette

**Em7 Dsus4**

And you come from a good place with a happy family

**G Cadd9**

The only bad you've ever done was to see the good in me

[Chorus]

**Cadd9 G Dsus4 Em7**

But, I've been livin', waitin' on the day

**Cadd9 G Dsus4 Em7**

That the good lord willing sends you out my way

**Cadd9 G Dsus4 Em7**

I've seen hard times, bad luck, and all that's in between

**Cadd9 G Dsus4 Em7**

Sweetest of the sunflowers, yeah you're the sun to me

[Verse 3]

Em7 Dsus4  
And I remember being younger and my mother told me truth  
G Cadd9  
Find someone who grows flowers in the darkest parts of you  
Em7 Dsus4  
Take heed when things get hard, and don't you ever turn around  
G Cadd9  
You'll find someone, someday, somewhere that'll grow you to the clouds

[Instrumental]

Em7 Dsus4 G Cadd9

[Verse 4]

Em7 Dsus4  
And you walked me home that evening when I could barely walk  
G Cadd9  
And you spoke to me so sweetly on the days I couldn't talk  
Em7 Dsus4  
And now I'm seeing clearly and I'm growing up so free  
G Cadd9  
Sweetest of the sunflowers, yeah, you're the sun to me

[Outro]

Cadd9 G Dsus4 Em7  
But, I've been livin', waitin' on the day  
Cadd9 G Dsus4 Em7  
That the good lord willing sends you out my way  
Cadd9 G Dsus4 Em7  
I've seen hard times, bad luck, and all that's in between  
Cadd9 G Dsus4 Em7  
Sweetest of the sunflowers, yeah you're the sun to me  
Cadd9 G Dsus4 Em7  
Sweetest of the sunflowers, yeah you're the sun to me
