

Theres A Drink For That – Blake Shelton

[Intro]

G C G C

[Verse 1]

G

It could be a Monday or a Friday

C

Or your ex pullin' in to the driveway

G

C

Or a hell, might as well, top shelf 'cause you just got paid

G

It could be a boat on the water

C

Or a lawn seat sittin' at a concert

G

C

Or a settin' sun with your number one on a front porch swing

G

C

If you're on the rocks and workin' on a longshot

G

C

If it's pregame happy hour in the parking lot

[Chorus]

G

There's a drink for that

C

Whatever buzz you're chasin'

G

We're all raisin' up the same glass

C

Everybody's got their reasons

G

If you need a cold one or a strong one

C

Or a pour 'em all night long one

G

D

Take a sip of whatever it is wherever you're at, yeah

G

There's a drink for that

C

Yeah, yeah

G C

Theres A Drink For That – Blake Shelton

[Verse 2]

G

Or a summertime all-time high tryna beat the heat (Tryna beat the heat)

G

C

If you turn it up tonight or you got no plans

G

C

If you've got an empty koozie in your right hand

[Chorus]

G

There's a drink for that

C

Whatever buzz you're chasin'

G

We're all raisin' up the same glass

Everybody's got their reasons
