

Upside Down chords by Dean Brody

Flat tune: **Eb Ab Db Gb Bb Eb**

Capo 0 -> 3

[Intro] **F** | | **C** | | **F** | | **C** | **G** ||

[Verse 1]

F

I was hitch hiking walking neath the beating sun

C

No luck till that purple bus of love pulled up

F

They said, "Hey brah, looks like you could use a ride

G

Yeah we took us a vote and we think you should drive"

[Chorus]

F

C

Because we are feeling kind of loaded

F

C

Not sure just where this trip is going

F

G

Am

G/B

But prob'ly somewhere on the water torch in the sand

C

F

C

G

C

We just might never ever come back from this high upside down

[Verse 2]

F

So we ate Doritos and on we drove

C

The only hippy not token was a girl named flo

F

A groovy little smile she really lit me up

G

She said I'm lookin for truth but I'd be happy with love

[Chorus]

F

C

And we were feeling kind of loaded

F

C

Not sure just where that trip was going

F

G

Am

G/B

But prob'ly somewhere on the water torch in the sand

Upside Down chords by Dean Brody

C **F** **C** **G** **C**
We just might never ever come back from this high upside down

[Bridge]

C **F** **G** **C**
Up, up, up like two balloons, it's so fun hangin with you
F **C** **G** **C**
I just wanna stay right here up in the clouds this high upside down, hey!

[Interlude] **F** | **C** | **F** | **C** **G** ||

[Chorus]

F **C**
And we were feeling kind of loaded
F **C**
Not sure just where that trip was going
F **G** **Am** **G/B**
But prob'ly somewhere on the water torch in the sand
C **F** **C** **G** **C**
We just might never ever come back from this high upside down

[Verse 3]

F
We found a carnival out on a seaside pier
C
We shared a chili dog with cheese and and ice cold beer
F
The smoke was wearin' off we were losing the rush
G
Then she kissed me on the Ferris wheel and we went back up

[Bridge]

C **F** **G** **C**
Up, up, up like two balloons, it's so fun hangin with you
C **F**
I just wanna stay right here up in the clouds
C **G** **C**
Girl you've got me so high upside down, alright

Outro **F** | **C** | **F** | **C** **G** **C**
